- › Issues with IT – talk to admin staff
- › Issues with their own workload or wellbeing – talk to their line manager
- › Concerns about data protection – talk to the data protection officer
- › Concerns about safeguarding – talk to the DSL

4. Data protection

4.1 Accessing personal data

When accessing personal data for remote learning purposes, all staff members will:

- › Access the data, through a secure cloud service or a server in your IT network
- › Access the data through the laptop provided by school rather than a personal device

4.2 Processing personal data

Staff members may need to collect and/or share personal data such as email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals won't need to give permission for this to happen.

However, staff are reminded to collect and/or share as little personal data as possible online.

4.3 Keeping devices secure

All staff members will take appropriate steps to ensure their devices remain secure. This includes, but is not limited to:

- › Keeping the device password-protected – strong passwords are at least 8 characters, with a combination of upper and lower-case letters, numbers and special characters (e.g. asterisk or currency symbol)
- › Ensuring the hard drive is encrypted – this means if the device is lost or stolen, no one can access the files stored on the hard drive by attaching it to a new device
- › Making sure the device locks if left inactive for a period of time
- › Not sharing the device among family or friends
- › Installing antivirus and anti-spyware software
- › Keeping operating systems up to date – always install the latest updates
